

# Coaching Development Coordinator

## St Mary's Sharks Basketball Club

The role of the Coaching Development Coordinator is to provide a relevant and valued coach support in the club environment and to monitor and mentor coaches to conduct appropriate quality basketball activities that will enhance the players and coaches experience.

Specific duties include but are not limited to:

- Support a positive club coaching culture and enjoyable player experiences.
- Monitor and mentor new and inexperienced club coaches based on their development needs.
- Assist Age Group coordinators to Recruit and encourage diversity in candidates to take up coaching roles.
- Provide access to up-to-date information and professional development opportunities including observing senior coaches and model sessions.
- Present parents with relevant information at the start of the season and communicate at regular intervals.
- Conduct surveys to establish and monitor levels of satisfaction.
- Attend quarterly Committee Meetings
- Assist to develop / update club policies as required.
